EDUCATION

Master of Software Engineering, Nanjing University, Nanjing, China **June 2023**
Advisors: Dr. Xinyu Dai, Dr. Jidong Ge
GPA: 4.4/5.0

Bachelor of Software Engineering, Nanjing University, Nanjing, China **June 2021**
Advisors: Dr. Xinyu Dai, Dr. Jidong Ge
GPA: 4.3/5.0

RESEARCH INTERESTS

My research interests lie in the field of Natural Language Processing (NLP), with a particular focus on intelligent interactive systems and domain-specific large language models (LLMs). I am particularly interested in multimodal LLMs, with a recent emphasis on long-context multimodal models that aim to understand, generate, and interact within long contexts. Additionally, my research covers several other topics, including medical LLMs and multilingual LLMs. Prior to the emergence of LLMs, I had a strong interest in task-oriented dialogue systems.
